

SIGNIFICANT MOMENTS

Highlights to Remember

When you encounter a meaningful passage, message, or event in your life, and you've recorded it in the journal you have chosen to use as your WACC Life Journal, you may want to remember it for days to come. You can set up 1-2 pages as your Significant Moments pages to create a list of highlights in your relationship to God and His church body. Log the title and page number of these significant entries from the journal to find them quickly later. It is encouraging to look back and see the work of God in your life. Here is an example:

Title	Page
<i>My whole family came to church with me</i>	<i>33</i>
<i>I got baptized</i>	<i>42</i>
<i>Read Psalm: I am fearfully and wonderfully made</i>	<i>61</i>
<i>Answered prayer, my medical tests</i>	<i>87</i>
<i>Message about hope in Christ</i>	<i>101</i>
