

HIGH SCHOOL 2018 CALENDAR KEY

WACC High School Ministry is about bringing Jesus to students and students to Jesus. This calendar will list a bunch of fun activities, but our heart is that every high school student would:

- feel welcome in our family
- connect with trained and loving leaders who care about them
- explore who they are and where they fit into God's story
- and ultimately to experiment with their gifts, talents, and passions to glorify God.

Every event we do falls into one of four categories to help you know what to expect.

INVITE

If you are looking for a place to start at WACC HSM, start here! Invite events are fun, high energy, and while friends and visitors are always welcome at everything we do, these events are designed with new people in mind. So join us and bring a friend! Sometimes we have to charge for invite events, but that usually just means we are bringing in something extra special that day! At our invite events we always try and point our new friends to take the next step by Gathering with us on Wednesday nights.

GATHER

If you've come to a few events and want to be more connected, join us on Wednesday nights! Our program starts at 7pm in the Gym, but students are welcome to come at 6:30 to hangout before we get started. Every week we have worship, teaching that applies to high school students, and small group time. Our goal when we gather is to share our lives and begin to discuss faith. Whether it's your first time hearing about God, or your 100th, we want you to learn something new about what it means to follow Him. Each student is placed in a small group with other students in the same grade and gender and they are led by two trained, caring leaders. We hope that these small groups are the people who will walk by your side to support you as you seek to find your place in God's story.

GROW

If you are looking for more, come on Sunday mornings! Like Wednesday nights, we have a time for teaching, worship, and small groups, but our focus on Sundays is on students exploring their faith in a deeper way. Each week we introduce one spiritual practice that students and leaders can try for 7 days in order to connect with God. Our small group time is focused on that experiment and discussing any thoughts or questions from the teaching.

GO

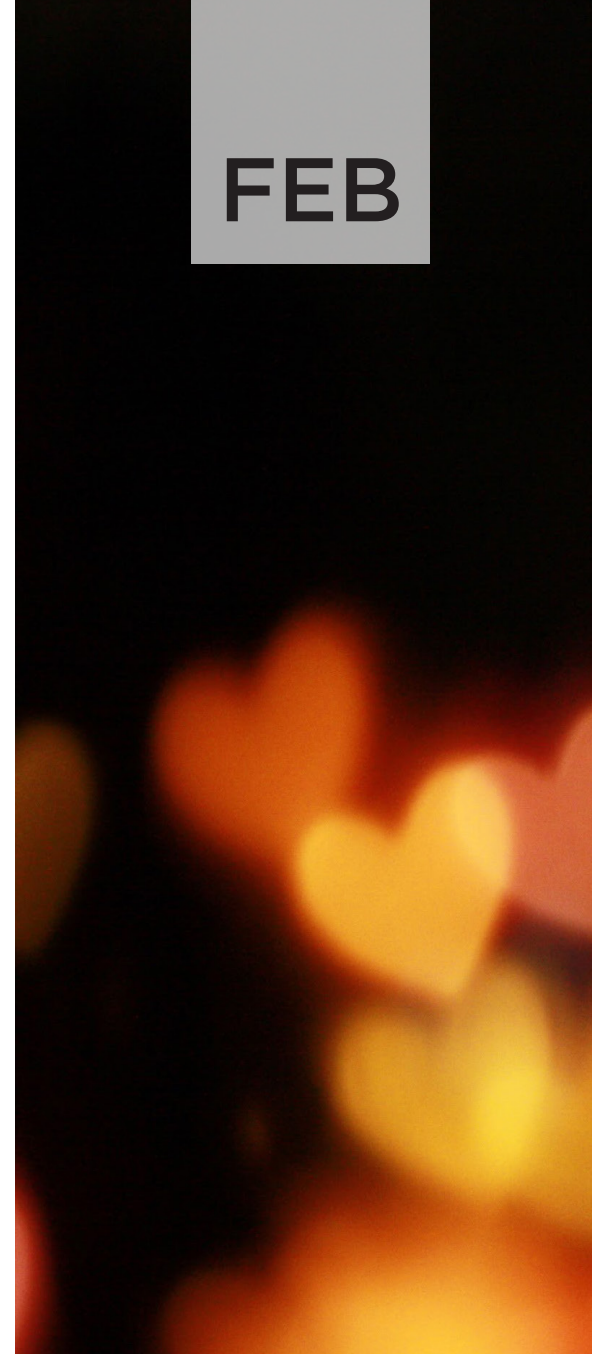

What if you were on a baseball team that never played a game? Using our gifts, talents, and passions to glorify God is a central part of our faith journey. As a group we want to take the things we are learning and the ways we are growing, and put them into practice by serving others. Our goal is to engage in regular, impactful opportunities to serve at WACC, with WACC, and in our community. If you don't know where you should go and serve, ask us and we can help you discover your unique gifts, talents, and passions, and guide you in using them for God's glory!

HIGH SCHOOL 2018 CALENDAR

FEB

SUN	MON	TUE	WED	THU	FRI	SAT
				1	2	3
